What's new with NAIFA Rose City Chapter?

Data Services Update

Due to insufficient response, we are unable to meet our minimum requirement for the reduced fee structure for the contract with First American Real Estate Solutions. Those of you who have sent your money in for this will be receiving a full refund, along with a small token of our appreciation for your commitment. We are regretful we were unable to make this work, as Sue Johnson has put many hours of negotiations, as well as phone calls and emails. Maybe we can re-visit this again when we have more people who can commit to it. Thank you for your support and as always we are working on new membership benefits that will help our members.
